Director's Dish

You may have heard the news by now that we've been pretty busy since Spring! Thank you for your patience as we dotted all of our i's and crossed all of our t's to create and finalize the merger between God Touch MKE and Ebenezer Stone Ministries. The result is a new, dynamic organization to serve our community better. Programming will be run out of three Community Centers, with a focus on pillars based in Food Pantries, Warehouse, and Housing. Especially exciting is the addition of a women's housing program. Keys to the women's house were handed over to us on August 15th and final touches are being made before our first program participants move in. We are so blessed! We truly aim to be the hands and feet of Jesus within our community and beyond, and we can't do it without your continued support. Thank you!

Support from MPD

Ebenezer Stone Ministries strives to maintain a strong partnership with the Milwaukee Police Department, particularly District 2. In July, ESM Director Michael Haas met with District 2's Captain Pajot to discuss projects and events to help build community within the area. Ideas include events for teens (organized sports, job programs), a regular night-time food pantry, community walks, and cookouts, to name a few. Thank you, MPD District 2, for your service and your collaboration!
